FOR IMMEDIATE RELEASE

Monday, October 22, 2018

PUBLIC NOTICE: LIVE-BURN EXERCISE

LAGRANGE, KY – On Saturday, November 10, 2018, the LaGrange Fire & Rescue Department, in conjunction with neighboring Fire Departments, will be conducting a live fire training exercise on the property located at 1413 Crystal Drive East, LaGrange, KY. The tentative start time for firefighting operations will commence at 8:30 AM and is scheduled to end at approximately 3:00 PM.

The purpose of this live fire training is to enhance firefighters' knowledge, skills and abilities in the area of structural firefighting. This live fire training will create a smoke condition in the immediate area.

As part of the live fire training exercise, Crystal Drive East between the east entrance to Cracker Barrel and the entrance to Quality Suites will be temporary closed in sections. During this closure, traffic will be detoured through neighboring streets. We ask that motorists please follow the detour signage that will be installed.

###

The LaGrange Fire Rescue Department serves a population of approximately 18,000 people within a 51 square mile portion of Oldham County, KY. We are one of six individual fire districts in the county. The LaGrange Fire Protection District is primarily residential with a light commercial and industrial base. We are a combination career/volunteer department that operates from three stations. More information about LaGrange Fire & Rescue Department can be found at www.lfrd.org.
